Purpose and Summary

The Iowa Administrative Procedure Act has long required agencies to adopt rules regarding the rule making process and waivers from administrative rules. To satisfy these obligations, the IECDB promulgated Chapter 15 consistent with the Uniform Rules on Agency Procedure.

However, 2024 Iowa Acts, Senate File 2370, sections 4 and 12, repealed related requirements and enacted a new Iowa Code section, respectively. The new section states that the Administrative Rules Coordinator, in partnership with the Iowa Attorney General's Office, may adopt a new set of uniform model rules that will automatically apply to agencies in the absence of self-promulgated rules (more information can be found in Iowa Code section 17A.24 as enacted by 2024 Iowa Acts, Senate File 2370).

Accordingly, the IECDB is proposing to rescind Chapter 15 consistent with the principles of Executive Order 10 as being either unauthorized or unnecessary. The IECDB will instead operate under the new model rules and other applicable laws.
