Request for Agency Consent to Sell  
Goods or Services by IDALS EmployeesIowa Department of Agriculture and Land Stewardship  
Wallace State Office Building  
Des Moines, IA 50319-0053

Iowa law prohibits an employee of a regulatory agency such as the Iowa Department of Agriculture and Land Stewardship to sell, directly or indirectly, goods or services to any person who is subject to the regulatory agency's (the IDALS's) authority. The regulatory agency (IDALS) can consent to such sales under specified conditions.

Each IDALS employee seeking consent to sell goods or services to a person regulated by IDALS must file a Request for Agency Consent form. This includes the sale of agricultural commodities and livestock. The form must be filed with the employee's division director at least 20 calendar days in advance of a sale. The IDALS has 14 calendar days from the date of the filing of the written request to approve or deny it and issue a written consent or denial. Sales made by an employee's spouse, minor children, or by a farm partnership or family farm corporation in which the employee, the spouse or minor children are members also require consent.

When consent is appropriate, it will be given for up to 12 months. For some employees who are removed from the IDALS regulatory functions, a one-time request for consent may be all that is needed. Consent requests that are approved are required to be filed with the Ethics and Campaign Disclosure Commission and are public records.

Copies of the applicable Iowa Administrative Code sections and Iowa Code chapters may be viewed on the Internet. Portions of those documents are printed on the back of this form. Employees should direct questions to their division director.
