On January 5, 2017 at its regularly scheduled meeting, the Iowa Board of Pharmacy voted unanimously, pursuant to Iowa Code section 68B.4(1), Iowa Administrative Code rule 351—6.11(3), and Board policy, to grant consent to Board compliance officer Jennifer O'Toole to work as a relief pharmacist for the Iowa Methodist Medical Center in Des Moines.

1. Petitioner is employed by the Board as a compliance officer. Petitioner is also an Iowa-licensed pharmacist in good standing with the Board.
2. Petitioner's request complies with the requirements of Iowa Code section 68B.4(1), Iowa Administrative Code rule 351—6.11(3), and that attached Board policy. Her official duties do not and will not include inspecting and/or investigating complaints concerning Iowa Methodist Medical Center or its officers or employees.
3. Iowa Methodist Medical Center is aware of Petitioner's employment with the Board and understands that Petitioner will have no involvement in any wavier request, inspection, investigation, or other action before the Board concerning the pharmacy or its officers or employees.
4. The Board believes the request should be granted because it is in the best interest of the Board and its employees that pharmacists employed by the Board maintain and enhance their professional knowledge and skills. Petitioner's request to perform relief work as a pharmacist at Iowa Methodist Medical Center is an effective means to achieve this goal.
5. This consent is valid until withdrawn in writing by a majority of the members of the Board.
