

State parties in Iowa are permitted to report all of their funds together in one report covering the majority of their activity. Only State Party Income Tax Checkoff Funds and the State Party Building Funds are reported separately.

Although each party uses a variety of fund names, including those in the lists below, candidate committees should report their transactions as taking place through the main state party committee with the committee numbers referenced below.

**Iowa Democratic Party (Committee number 9098)**

- House Truman Fund
- Joint Truman Fund
